Congratulations to our Parents and Friends Club who organised an amazing raffle. Yesterday we drew 40 prizes from approximately 3000 tickets. I would like to offer a huge thank you to all our community who sold tickets for the raffle, donated eggs, helped with the wrapping and folding of tickets. We raised an incredible $1391 from this event. It was wonderful to observe the great sportsmanship from the children as they congratulated their friends who were lucky enough to have prizes drawn. They are developing their skills of resilience to manage the disappointment from not being chosen and it was great to hear many prep children saying “well done” to their classmates.

Tomorrow we will farewell Jodie Olden (in the office) who has been filling in for Robyn while she was on leave. Jodie has done an amazing job during this very busy Term 1 time. I’m sure that we will see Jodie from time to time at our school.

Sun protection until the end of April—it’s not just Terms 1 and 4 anymore! This is just a quick reminder that all children are required to wear hats at school until the end of April. Please remind children that even though Term 1 is over, sun protection is still needed as they enjoy their holiday break. It’s important to slip on covering clothing, slap on SPF 30 or higher broad-spectrum, water-resistant sunscreen, slap on a wide-brimmed hat, seek shade and slide on wrap-around sunglasses (labelled AS 1067) so it is a sun safe holiday and not a sunburnt one. To be sure check the daily sun protection times for your area at the free SunSmart app. You could also check out this very cute SunSmart sunscreen station on the free SunSmart app.

New tobacco bans at all Victorian Early Childhood Services and Schools The Department of Health and Human Services has announced the introduction of new smokefree legislation in Victoria. The new laws ban smoking within the grounds of, and within four metres of entrances to, schools. We certainly have appreciated the efforts of many children, parents, grandparents and friends who have helped out with the collection for Good Friday Appeals in the past. We would like to invite you again to be a part of this year’s collection team which supports the remarkable work done at the Royal Children’s Hospital.

The Appeal will be held on Friday 3rd April for the Royal Children’s Hospital.

Contact John Duscher, Area Appeal Organiser on 0488 028 435.

Thank You!!
ARTROOM NEWS

Our Papier Mache creations are coming along beautifully and will be completed early next term.
- We have plans to exhibit the grade 5/6 "trophy head" in our community sometime, stay tuned for details about this.
- The grade 1/2's bead string will be sent home early next term and are looking very decorative.
- The grade 3/4's money banks have just had their money holes cut in them and are being painted their final colours, these will also go home early next term.

To review student learning this term, each class has discussed their attitude, skills and knowledge. Classes also took the time to think about what they have learned this term.

Music lessons:
- have been teaching us to look and listen so we play well
- let us have fun when we use our memory of song lyrics
- help us learn other languages (in songs)
- aid learning through getting together
- teach us to co-operate with each other
- teach us about history
- encourage listening in order to keep the beat
- help and encourage kids to play together
- help us develop skills of creativity and composition
- are supportive of our learning about other things
- are developing our skills of bravery and confidence when speaking in front of others
- helping us develop skills on a variety of instruments

Our Papier Mache creations are coming along beautifully.
