THANKS TO SOME OF THE MAJOR SPONSORS OF OUR ‘KIDZ MINI MUDDA’

From the Principal

The MINI MUDDA is only 9 sleeps away. A very dedicated group of Kidz Mini Mudda parents who form the Major Events Committee has organised an amazing event for our school community. Starting at 10am, Saturday 31st October, our children will have the chance to run in the mud, slide along a 50 metre slip and slide, climb hay bales and more. Once all the children registered have had their turn, they are welcome to enjoy the course again. We will have food stalls and entertainment. There will be Parent’s and Friends Bacon and Egg rolls from 9:30am to get you started, as well as stalls from Connell’s Bakery and our famous Mouttak Souvlaki. There will be coffee, pop corn, fairy floss and drinks. Hot showers will be available at the pool area to avoid taking any mud home.

Only the first 200 registered children will receive an event t-shirt (less than 20 t-shirts remain).

We will need volunteers to assist throughout the day to ensure the strongest when we work together.

Our raffle will also be running leading up to the event and tickets will be sold on the day. Some of the great prizes are:

- $100 Caledonian Hotel voucher
- $40 coffee collective, Tyrepower voucher
- 2 x $50 Evan Petroleum vouchers
- $100 Airport Parking voucher at Tullamarine
- $55 Foons, a 3 Month Voyage Gym Membership voucher and a day pass to the Gym.

The raffle will be drawn on Wednesday 4th November at the School Assembly.

Book Fair

Tomorrow is the last day of our Book Fair. There are some great items for presents and gifts for children. The profits from the book fair enable us to add new items to our library for us all to enjoy.

Student Free Day

A reminder that Monday 2nd November is a Student Free Day. In the morning, we will be working on our school values, and we will be inviting interested parents who would like to join us for the morning session (9:00am to 11:00am). Please let the office know if you would like to be involved in the session. Or contact me for more information.

For the remainder of the day the staff will be learning new skills for technology and digital coding (new curriculum to be trialled in 2016 and fully implemented in 2017).

The current and upcoming events remind us of the amazing school community we belong to.

MUSIC NEWS

Well done to 5/6D & 5/6C who performed their parodies last week at Assembly. This week classes have been really keen to sing both songs during class time! We have three more parodies to hear before we can launch our song book into each classroom, giving students the chance to re-visit other grade’s songs.

This is an event not to be missed, a day of fun and laughter and MUD, so remember to register (see above in the Major Events section). Funds raised are going towards solar heating for our pool.
